JULY NEWSLETTER

Have you ever listened to a missionary tell stories from the mission field? Most of you have heard at least one missionary talk about what God is doing in their part of the world. Missionaries are people who are called by God to go into other parts of the world (most of the time) and preach the good news about Jesus Christ. The parts of the world they are going into are usually areas where people have never heard of Jesus Christ. They usually worship some pagan god or idol in hopes that their prayers will be answered. The prayers they pray are to nothing real. They believe they are real or at least hope they are but they are always found wanting more. Missionaries go into those parts of the world and tell people about Jesus. One of the most effective tools they have is the Jesus Film.

It is similar to the Passion of the Christ movie except it isn't as graphic in nature. Although they most definitely show Jesus dying on the cross and being raised again. This film shows people in their native language what the Bible is all about. Jesus died for everyone of us - including those in parts of the world that you would never want to go. These missionaries tell stories about how God answers prayers, delivers them from life threatening situations, heals the sick, and many other things. All of these things are taking place because of a HUGE faith in God and the power of prayer. When is the last time you can say, "I prayed and fasted and God answered my prayer?" When is the last time you prayed for God to use you to reach someone else for Him?

POWERLIFTER - MIKE EWOLDSEN - AUGUST 25th

Mike Ewoldsen is coming back to Derby Naz. Aug. 25th. We need to get 100 people at that service. Your challenge is to bring as many people as you can to this service. Mike is a powerlifter with a message from the Gospel. He will do amazing feats of strength...sort of like Samson without all the girl trouble. Seriously though...Mike is a 5 time drug free world champion powerlifter, holds 11 drug free world records, was the 1999 U.S. Overall Powerlifter of the year, and the only man to break a steroid world record & be drug free. Mike will break a powerlifting World Record in your church or service.

Plus, if we get 100 people in the service on August 25th, Pastor Paul will dye his goatee and eyebrows hot pink and leave it that way for 1 week.

Sr. High camp was amazing this year. We had a great time in Colorado. If you are in High school or will be going into high school next year, plan on going to camp next June. It is an amazing experience that you will never forget.

Thanks to those of you who attending the NYI convention this year. We had a good time and voted in some great people for council.

If you were at the District Assembly meeting on Sunday night, you heard a great message on faith and prayer life. Even though it may have been a long sermon, you guys stuck with Rev Shute and got a great message from God. Then the pizza after the service was great too.

Some of you are really accumulating a ton of points this summer. Our race to a BILLION is going strong. Remember to bring your Bibles and your friends. And get to work on memorizing the books of the Old Testament. New Testament is next. Good job you all!!

I already know that Cliff and Clay will be blowing small objects to pieces this 4th of July. But what are you doing? Whatever you do...please be safe. It is easy to be incredibly stupid on the 4th of July. Remember this little bit of free advice...It is fun to be on the NEWS but not when you have just lost a body part or been arrested for...well....anything! Be safe and stay out of the hospital and jail. Happy 4th of July!

Missions tip

We are heading to Wichita to paint a smaller church. We will stay overnight for a couple of nights until the job is done. We are calling it Mission to Wichita. For more, check out the website. www.adrush.org/events.html
